street, by Elder Purrington. CITY SCHOOL BOARD.—The regular monthly meeting of this Board was held last night at the Superintendent's office, present: John W. Burke, Chairman, Richard L Carne, City

and 31 p. m., at the meeting house, on Fairfax

Superintendent, and W. F. Carne, Joseph Hopkins, Arthur C. Kell, Edmund F. Witmer, discharged. Henry B. Whittington and Oscar C. Whittlesey, Trustees.

The Clerk being absent from the city, Mr. Wm. F. Carne was elected Clerk pro tem. and the minutes of the last meeting were read and

approved. On motion of Mr. Kell, it was ordered, that the Board will proceed to the election of teachers for the public schools at its next regular

meeting. On motion of Mr. Whittlesey, it was ordered, that the Chairman issue orders on the City Treasurer, in favor of the following persons, for the amounts affixed to their names respectively, as the additional compensation promised by the Consolidated Boards of District School Trustees for their services as teachers, viz:

Theodore H. Ficklin, \$30; Edgar E. Harper, \$30; Wm. F. Powell, \$30; Lena K. Shay, \$30; Margaretta Law. \$30; Matilda A. Maddeu, \$30; M. Ellen Price, \$30; Sallie Yates, \$30; Jennie K. Shay, \$30; Phœbe A. Littlefield, \$30; Sarah A.Grey, \$30; Carrie Claggett, \$30; Jane A. Cronch, \$30; Harriet B. Douglas, \$30; Virginia E. Clarkson, \$10; Mary J.

Mr. Whittington, from the Committee on Complaints and Grievances, reported that a full investigation of the charge against the principal of Lee school had been held, but that in consequence of the death of a brother of the chairman and the absence of another member of the committee from the city, no report could yet be made. On motion, further time was allowed. Studies and Discipline, presented the following report, which, on motion of Mr. Whittington, was unanimously adopted, viz:

To the City School Board : The Committee on Studies and Discipline, to whom was referred the communication of Miss M. E. Stratton, Principal of the Colored Training

School, beg leave to report:
That they have considered the communication with much care, and have arrived at the conclusion that it is inexpedient to take any action in the matter, for the following reasons, viz:

1st. That under the law and the regulations of

the Board, the sexes and races must be kept separate, which would involve the establishment of four high schools, at an expense of probably eight or ten thousand dollars, or as much as the entire system costs at present; a sum the levying of which would be very burdensome to the taxpayers at this time.

2d. That from the examinations just concluded they deem it no injustice to the teachers or pupils to say that there are few, if any, boys or girls attending the schools, either white or colored, who will be sufficiently advanced to need the instruction of a High School for several years to come, and that such a school seems,

therefore, unnecessary.
Under these circumstances, while fully appreciating the motives which prompted the liberal offer made by Miss Stratton, they cannot but think that its acceptance would entail unneces-sary expense on the city after this year, and that it would be far better to build up High Schools gradually by introducing additional studies, as the pupils become prepared for them, into the existing first grade schools, the teachers of which, they are satisfied, are fully competent to fill much higher position than they, at present, oc-JOHN S. BEACH,

RICHARD L. CARNE, Committee on Studies and Discipline. With reference to the examination of Geographies, he reported progress, reading a letter from Maj. Jed Hotchkins, of Staunton, on the

subject, and further time was allowed. He also reported, as a member of the committee on books and printing, that the by-laws, etc., were in the hands of the printer. From the committee on School houses and

furniture, he reported that it was expedient to build at least one school house as soon as possible. He read letters from Rev. Dr. Sears, agent of the Peabody educational fund, and from the clerk of the Board, detailing an interview with that gentleman, from which it appeared that \$1000 would be received from the fund for building purposes, in September or October. He also, stated that there would be a balance in the treasury belonging to the school fund of not less than \$500.

On motion of Mr. Hopkins, it was ordered that the Superintendent consult with the city authorities as to a suitable lot for a school

On motion of Mr. W. F. Carne, the following addition was made to the 7th by-law, viz: The Board shall elect such a number of substitutes as shall be deemed expedient, and any teacher being sick or having permission for any reason to be absent from his or her school, shall have the school conducted during such absence by one of said substitutes, to whom he or she shall pay such compensation

as may be agreed upon with said substitute, not | ful sight. exceeding the rate of teacher's own pay. On motion of Mr Kell, it was ordered, that all permits be numbered, and that in case more permits are presented to any Principal of any school than the school will accommodate, those

A communication from Wm. F. MAYOR' OFFICE. - A colored man giving his name as Wm. H. West, who says he has just been appointed on the police force of Washington, D. C., arrested on the charge of stealing a coat and vest from W. E. Atwell, about ten months ago, was held in the sum of \$400 security for his appearance at the August term of the Corporation Court. When arrested he was wearing a coat stolen from Mr. Atwell, but said he had bought it from another colored man, in Washington.

Elizabeth Madison, for disorderly conduct, was committed to the work house for 90 days. William Butler, colored, for disorderly conduct, throwing stones in the streets, and breaking the windows of the prize candy store, corner of King and Pitt streets, was fined and

NIGHT REPORT.-Night clear and cool, with a heavy dew. There were some disturbances in different quarters of of the city, but no arrests after ten o'clock. Two prisoners but no lodgers were at the station house.

TUB RACE. - There was a tub race for a purse of five dollars from Fishtown to the flats on the opposite side of the river, yesterday evening. Owing to a misunderstanding the race commenced at 4 instead of 7 p. m., and the number of spectators, though large, was not half as great as would have been the case had no such misundersatnding occurred. There were four entries: Eddie Murphy, John Penn, Patrick Duffee and Willie Robertson. When about half way across the river Duffee's tub capsized, but its occupant succeeded in righting it, and climbing in, again proceeded on his way, and reached the flats only one minute behind Penn, who made the distance in twenty-four minutes. Robertson, when in the middle of the channel, became disheartened and turned back. Murphy won the race in twenty-minutes. At seven o'clock as a large number of persons had again collected on the wharves near Fishtown, two of P. M., Georgetown, D. C. the boys got in their tubs and exhibited the manner in which they managed their clumsey looking vessels.

INCORRECT CONCLUSIONS. - When the shock caused, in this place, by the explosion of the Washington Arsenal was experienced, some thought it was an earthquake-others a peal of The Superintendent, from the Committee on thunder—others the bursting of a locomotive at the railroad depot-others a salute from a vessel passing up the river-others the morning gun at Fort Foote,—and, certainly, one or two the sound of a disrupting world,—which idea was confirmed in their minds by the heavens being lighted up with an Aurora Borealis, and the flames from the burning building. The earthquake idea prevailed most extensively!

THREATENING DEMONSTRATIONS.—A man appeared on King street yesterday evening armed with a drawn knife, with which he threatened to disembowel-though he didn't use that word-any or all who might attempt to interfere with his movements. His presence created some commotion, and he was allowed to monopolize the whole of the side-walk upon which at 3 p. m., steaming down the river to Liverpool Point and return, reaching Washington about half-past nine. A HANDSOME CHROMO.—There can now be seen at the office of Dr. Lockerman, corner of Prince and Washington streets, a handsome chromo picture, representing General Washington, as standing in Washington Lodge in this city, dressed as a Master Mason, with R. H. Lee, Bishop White, Benjamin Franklin, Robt. Morris, John Mountz, Benjamin Harrison, Roger Sherman, Thomas Jefferson, George Wythe and James Thompson sitting near him. All the portraits are said to be good. The picture was taken by G. L. Reynolds.
